

## Have you made the switch to TSYS® yet?

As the preferred payments provider for ProfitZoom™, we are ready to assist ProfitZoom and Legacy SI users with their payment processing needs. We can run credit and debit card transactions through ProfitZoom's back office and via mobile for in-the-field reps.

## Get discounted pricing

Interchange is the largest part of the fees you currently pay. Because we're integrated with ProfitZoom, TSYS has the unique ability to get each client preferred interchange pricing by passing enhanced data.

With more than 20 years of experience managing interchange, I can review your current processing and help you manage these fees.

## Why TSYS?
